MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 8 to Contract No. NY-A-501  
with [REDACTED] Inc., Proj. IDEALIST (Navy)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 4.

2. Contract No. NY-A-501 covers the Navy's requirement for 24 System 3 M-2's and related equipment. Amendment No. 8 has been drawn to evidence the establishment of final overhead rates for the period 1 January 1959 through expiration of the contract as recommended for acceptance by the Auditor in his telephone call of 17 April 1961 and to incorporate a General Research Clause effective 1 January 1959. This clause was originally requested to be incorporated into the contract in Contractor's letter dated March 15, 1956. However, due to change-over of personnel both at Headquarters and at the Contractor's plant, no follow-up action was taken. Consequently, the clause is included only for the last period of the contract.

3. No additional funds are obligated as a result of this Amendment No. 8..

4. Concurrence in Amendment No. 8 to Contract No. NY-A-501 is recommended.
